**Wedding Videography Packages and Pricing 2023-2024**

**Smooth Sailing - \$1100**

This is our most popular package. It allows time to cover pre-ceremony shots as well as most of the events of your reception. Your video will be edited documentary style and run about 8-10 minutes. The package includes 8 hours of continuous coverage time and included travel to a 150 mile radius from Sault Ste. Marie, MI. Your finished video will come on a flash drive along with all of your raw footage.

**Little Bit Extra - \$1300**

Need a little extra time? The older brother to our most popular package is ready for prime time. It includes 9 hours of coverage and a 200 mile included travel radius from Sault Ste. Marie, MI. Your video will be edited documentary style and run about 8-12 minutes. Your finished video will come on a flash drive along with all of your raw footage.

**Sunrise to Sunset - \$1800**

Want to spend the whole day together? We're up for it if you are! This package will get you through your entire day with 10 hours of coverage! Travel is also included if you are getting married in the State of Michigan or in Northern Wisconsin! You will also receive a 1-2 minute wedding trailer that will be released online just a few days after you say your "I Do's". Your wedding video will be edited documentary style and run about 10-15 minutes. Your finished videos will come on a flash drive along with all of your raw footage.
